RESTRICTION RESPONSE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

In response to the Restriction Requirement in the Official Action mailed September 1, 2005, Applicant elects, with traverse, Group I, Claims 1 and 2, for further examination on the merits in the present application.

Applicant respectfully traverses the Restriction Requirement for the following reasons.

MPEP § 803 states:

If the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits, even though it includes claims to distinct or independent inventions.

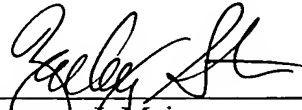

The claims of the present invention would appear to be part of an overlapping search area.

Applicant also respectfully traverses the outstanding Restriction Requirement on the grounds that a search and examination of the entire application would not place a *serious* burden on the Examiner.

Accordingly, an action on the merits is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
